**Family and Friends**

We encourage you to invite your family and friends to any of our activities. Janet's motto "The more the merrier". Each month, we print extra copies of the calendars and newsletters. They are kept in the front lobby. Pass them out to the significant people in your life so they can invite themselves!!

**Talents and Interests**

Do you, a friend or family member have a talent, hobby, collection, etc? If you would like to share, let Janet, Activity Director, know of your interest. You can volunteer to run a regularly scheduled program or a one time event. For example, one time we had a family member take a vacation. He gave a presentation about his trip. Another family member enjoys crafts so she held a regular crocheting class for several months. Still another family member belongs to a musical group and they visit one time a year. We have another family who continueally help in many different ways. Whenever they see a need or have a fresh idea, they make it happen. We love to have fun and make memories with each other.

**Fun Funds**

This is "funds" that were created by the Activity Department. The "funds" can be used to buy items at our auctions. How do you acquire these "funds"? Ask an Activity Staff member for more details.

### Piano Recital

We had several talented children (16 total) who performed at the piano recital. Included in the group of students were two young ladies closely related to our Hearth family. Alice Hazelgrove's great-granddaughter and Mae and Justin Mann's daughter participated in the performance. We look forward to their next recital in December.

### Craft Outing

The craft outing to the Senior Center was so much fun. There was a lot of glue, a lot of mess and lots of laughs. The following Residents attended: Bill & Wanda Padgett, Mary Sullivan, Martha Cliff, Joyce West, JoAnn Bradshaw and Flo Grimme. Because of the holiday, the next craft outing will not be until August 2. Sign up by the calendar!

### New, Fun Challenge

ALL Residents and Staff, do you have a couple photos of you when you were younger? Specifically, do you have one when you were a baby and one when you were a teenager or young adult? DON'T show them to anyone.....Just bring them to Janet, Activity Director. I will make a copy to be used in an upcoming, fun game called "How well do you know your neighbor?"

### Fun Times

I have heard about children running away from their parents.....however, parents running away from their children? Actually, Carl was meeting his son near the main entrance, but it made for a very cute photo.

### Bible Study

We are organizing a Bible Study Group. Wednesday, July 7, come to the private dining room at 3:00 p.m. You will meet with the new instructor, Donna Bennett, and discuss the details of the class.

### Euchre Lessons

If there is an interest, we will have Euchre Lessons again this summer. Do you want to learn a new game? Has it been a while since you played and you would like to learn the game again? Sign up by the large calendar. We have a very good teacher available – Teddy. Ask JoAnn Bradshaw, Joan Goen or Gladys Pritchett for more info.

### Care Packages

### Pensacola Christian College Choir

For the second year in a row, we have been blessed to have members of the Pensacola (Florida) Christian College Choir perform for us. Their voices and harmony were incredible. The even had a very comical skit to do for us – ask the attendees about "Goldilocks And The Three Bears".

### Santa's Busy Summer

Can you imagine Christmas without snow and sleigh bells? Well, in the Southern Hemisphere, Christmas falls in the middle of the summer. For those who desire a little winter wonderland, the answer is simple – have Christmas in July.

The scientists on Antarctica really like their Christmas cold. July is the middle of Antarctica's winter, with temperatures reaching -90 degrees Fahrenheit. High winds and ice make it too dangerous to land supply planes, so food, mail, and gifts must be dropped by parachute. The delightful arrival of presents dropping from the sky is like a mid-winter visit from Santa. On July 25, don't be surprised if you hear sleigh bells.

**We are having Christmas in July at the Hearth. All month long, we will be collecting items to send to our military men and women serving our country overseas. Items can be placed in the gift box located in the sitting room beside the café. Residents, Staff and Family members are invited to show our support to the brave men and women who have left their family and friends to serve our overseas. Also, if you know someone serving overseas, give the name and address to Janet, Activity Director. We will send a care package to them! You can find a list of ideas by the calendar.**
